

Refund Policy

Capitol City Little League (CCLL) recognizes that you may need to withdraw your player from the league after registration. CCLL therefore offers a refund policy in certain circumstances when a player timely requests to withdraw.

To qualify, you must contact the league Registration Coordinator via [email](#) to initiate a refund request. Please provide the name, age of your child and the applicable CCLL division. The Registration Coordinator will review the request and make a recommendation to the League Treasurer. All refund requests are subject to the Treasurer's discretion and must be approved prior to disbursement.

CCLL incurs administrative costs for each player that is registered. In the event a refund is granted, the administrative costs will not be refunded.

Juniors/AAA/AA/Majors

If for any reason, a player subject to the tryout and draft process requests to withdraw at least one week prior to the applicable draft, the registrant is eligible for a full refund of the registration fees minus a \$50 administrative charge. No refunds will be issued thereafter.

AA (not subject to the draft)/A/National Division/Softball

If for any reason, a player requests to withdraw prior to being assigned to a team, the registrant is eligible for a full refund of the registration fees minus a \$25 administrative charge. Players will not be entitled to any refunds thereafter.

Out of Bounds

A player who registers and is determined to be ineligible to play in CCLL because they do not meet the boundary eligibility requirements shall not be entitled to a refund of their registration fees.

Other

CCLL commits significant resources to establish balanced teams, and team roster adjustments are difficult to make and disrupt the league if a player decides not to participate following registration. If you would like to request a refund outside this policy, please contact the Registration Coordinator. CCLL may consider requests for extenuating circumstances, including, but not limited to (i) injuries or illness and (ii) moving out of the area.

Please note that refunds will not be provided because the practice or game schedule conflicts with other obligations or the player is not assigned to a certain team or coach.
