***** Winner advances to Mid-Atlantic Regional LL Tournament in Bristol, CT. Tournament begins 8/5/17 *****

Seeding: In the event of a tie in record (wins & losses) in Pool Play, Little League rules will be used to award the higher seed.

Game Changes: Changes to the Tournament schedule, including days, dates, times and location are commonplace, and can occur at a moment's notice at the sole discretion of the Tournament Director. Coaches should advise their parents of said policy, and parent's should be prepared to be flexible. Of note, the Tournament's start date is set, but by no means is the Tournament's end date for certain. Weather (heat advisories, thunderstorms, lightning, rain, etc.) is the major contributing factor to the course of the games.
